Resilience in the Face of Grief and Loss

Implementation of the AAP Curriculum Resilience in the Face of Grief and Loss

1. What pieces of this curriculum would be helpful to implement in your program?

2. In what rotations or educational sessions does this curriculum fit?

3. How do you get buy in from the residents, faculty, and chair?

4. Who will assist you in implementation?

5. What barriers do you see to implementing this curriculum?
